## Expand Your Literature-Based Resources and Your Curriculum

*Selecting Bookfolio and BookfolioPLUS titles to correlate with your curriculum is now easier using the Collections in our Curriculum Series. You may choose to purchase one or more titles within a collection at our standard pricing for single or multiple titles, or purchase the entire collection at our best discounted price. A brief description of each collection in the Curriculum Series follows. Planning and Purchasing Guides are available for each collection to assist you in the selection process. See pages shown below for Level Collections.*

### Genre Collections

Are you planning a genre-based approach to literature? The five Genre Collections feature some of the best titles and authors representing that genre. Selecting several titles in a genre provides your students with the rich breadth and scope of a genre. Many activities will engage them in exploring the elements of the genre and thus enhancing your students' appreciation and comprehension. *(See Genre Collections)*

### Level Collections

The Level Collection includes three level collections: Level I for Grades 3-4, Level II for Grades 5-6, and Level III for Grades 6-8. Each Level Collection includes 50 titles representing five genres and will meet the needs of an expansive literature program for a specific grade level. *(See pp.2-6)*

### Special Collections

Are you looking for very special titles that meet special instructional or content needs? These five collections represent a broad range of significant titles-- from titles that won the most book awards to titles that made the greatest impact, from titles that are traditional classics to titles that are now contemporary classics, from titles that best represent ethnicity to titles reflecting the diversity of our multicultural society. They are the best of the best. *(See Special Collections)*

### Theme Collections

Are you looking for titles that best meet your curriculum themes in social studies, language arts, science and many other curriculum areas? Our 43 Theme Collections make it easier for you to find the best choices. Each theme collection lists titles appropriate to the theme. Using our ProductBrief for each title you preview will help you make the best selection. *(See Theme Collections)*

### Top Ten Collections

Do you need to select titles that will excite young readers? Start with the Top Ten titles that are the most popular with both teachers and students. Many titles have won numerous children-based awards or have appeared on widely used recommended reading lists. Choose from among the titles in collections such as The Best Sellers or the Boys' Club. Excite your students' interests with Wild Imaginings or Her-Stories so they will want to read more. *(See Top Ten Collections)*

## Curriculum Series: Level Collections

*Are you looking for a variety of titles for a specific grade level? The Level Collections includes three level collections: Level I for Grades 3-4, Level II for Grades 5-6, and Level III for Grades 6-8. Each Level Collection includes 50 titles representing five genres—realistic fiction, historical fiction, fantasy and science fiction, myths and legends, and biography—a broad and varied collection to support an expansive literature curriculum.*

### The Online Planning and Purchasing Guide for Selecting Bookfolio and BookfolioPLUS Titles

1

**Select Title and Preview ProductBrief:** To use the Online Planning Guide, go to [www.literatureplace.com](http://www.literatureplace.com) and click on Curriculum Series from the main menu. Click on **Level Collections** and select the level collection you wish to preview. You can click on each title in the collection list to see a book summary and/or click on the ProductBrief. This will take you to the product page where you will find information about the product and also if a Reading Guide and BookfolioPLUS is available for that title. After you preview the product and decide to purchase it, click the add box for that title and continue the selection and preview process.

2

**Choose Your Product Format:** The download version is available to you immediately after you check out. You will receive an email confirming your order and directing you to access your downloads. You have 14 days to download your order and print your receipt. If you order a print version, you will receive a confirmation email immediately and receipt of your order within 10 days.

3

**Submit for Purchase:** This will take you to the shopping cart where you can review your order. If the Reading Guide is available for your title, you have the option to upgrade from a Bookfolio to a BookfolioPLUS. You will also need to indicate the number of users for each title if your ordering on behalf of a group. If this is your first order with [literatureplace.com](http://literatureplace.com), you will need to register to complete the ordering process.

### Using the Offline Planning Guide

You may choose to begin with this guide. The following pages list the **Bookfolio Student Activities Guides** in each collection. You will see many titles that are familiar to you and some that may be new to you. Online options will provide story summaries and product previews to assist you in making the best choices. A color key indicates the products that are available for each title.

**Choose from 50 titles in each Level Collection.**
